COMO Maalefushi

3 Nights Luxury Hotel Package

A Journey in Simplicity

Fly direct to Male with Private Jet Services

COMO Maalifushi is the first and only resort to open on the unspoilt Thaa Atoll, in the archipelago's southern reaches.

Our resort is designed by Japanese architect Koichiro Ikebuchi — his first in the Maldives — with a sensitive approach to nature and respect for cultural authenticity, reflected in clean design. All rooms, suites, overwater villas and Residences are built with high rafters, teak floors, New Zealand pine and Kajan thatched roofs. Floor-to-ceiling windows and large decks connect spaces to nature, while interior decor brings sea, sand and sky even closer to the heart of every room.
