OVERVIEW

TRAVEL

SIP, SAVOUR, SOJOURN

This tailored journey unfolds as a seamless celebration of culture, elegance, and rare access. The experience begins in Paris with an exceptional private dinner and exclusive music recital in the Orangerie at Versailles, setting a refined and unforgettable tone. You will then travel in style aboard the Orient Express, where private cabins, impeccable service, and refined dining creates an atmosphere of effortless exclusivity as the train glides through Europe's most evocative landscapes.

The experience culminates when you reach Venice, where the city itself becomes a private stage: Doge's Palace is closed entirely for your exclusive access, allowing you to explore its grandeur in complete privacy with an expert private guide.

The journey concludes with a spectacular private dinner in St Mark's Square, illuminated after hours for your exclusive enjoyment, an experience defined by discretion, artistry, and extraordinary privilege.

Tailor Your Unique Trip

Each idea is intended as a starting point: rare access, exceptional hosts, and moments that feel genuinely unrepeatable, delivered with discretion, pace and polish.

This is not an exhaustive list; and we can tailor any concept to your preferred dates, interests and travel style, as well as refine every detail from logistics to privacy and production value.

All experiences are subject to availability, priced on application, and subject to further research and confirmation at the time of booking.
