OVERVIEW

TRAVEL

NORTH OF ORDINARY

This highly curated superyacht expedition is designed for those seeking rare access at the edge of the Arctic, with long summer days and truly unparalleled wildlife encounters. Aboard a privately chartered, ice-class superyacht, journey through the dramatic fjords and pack ice of Svalbard in complete comfort, guided by elite polar experts and naturalists.

Daily itineraries are shaped around real-time wildlife conditions, maximising the chance to observe polar bears, walrus, and Arctic foxes from a safe, privileged vantage point, with expedition tenders and helicopters available where permitted. Between explorations, retreat to refined interiors, world-class cuisine, and bespoke wellness experiences, creating a seamless balance of adventure and indulgence— an extraordinary polar encounter defined by discretion, expertise, and once-in-a-lifetime discovery.

Tailor Your Unique Trip

Each idea is intended as a starting point: rare access, exceptional hosts, and moments that feel genuinely unrepeatable, delivered with discretion, pace and polish.

This is not an exhaustive list; and we can tailor any concept to your preferred dates, interests and travel style, as well as refine every detail from logistics to privacy and production value.

All experiences are subject to availability, priced on application, and subject to further research and confirmation at the time of booking.
